

# Keeping the SVR's Diesel Fleet on track

Our purpose-built diesel maintenance depot is making a huge difference to volunteers and staff working on the SVR's diesel fleet.

Most of the SVR's diesel locomotives are over 50 years old, and a few are even more senior than some of the steam locos.

Many individuals and organisations have contributed to the Depot, including the SVR Charitable Trust.

So far, so good. But there's more to do. We need to build workshop facilities and an amenity block for volunteers and staff who maintain this valuable part of the SVR.

*"It's part of recognising the importance of preserving heritage diesel for future generations to enjoy."*

*Nick Ralls, SVR General Manager*

*"The SVR simply couldn't function without its fleet of diesel locomotives, and these are as much a part of Britain's industrial heritage as the steam locos they replaced."*

*Jonathan Dunster,  
Chairman of the SVR Diesel Committee*

**Will you help move our Diesel Fleet on to even greater things at the SVR?**

Please make a donation to Diesel through the SVR Charitable Trust, using the form overleaf, and if you're a taxpayer, the Trust may be able to claim a further 25% Gift Aid at no extra cost to you.
